

Cookie Policy

A cookie is a text file that is stored on your computer, mobile or mobile. Similarly for recognizing it, remembering settings and performing statistics. Cookies are text only and cannot contain viruses or other malicious software.

Cookies are required to make the website work. Cookies help us get an overview of your visit to the website so we can continually optimize and target the website to your needs and interests. In addition, cookies are used for general traffic measurement, so we can see how many people visit our website.

Cookies delete themselves after a period (may vary), but they are renewed every time you visit our website. You can always block cookies on your computer by changing the settings in your Internet browser. Where to find the settings depends on which browser you are using.

You can easily delete cookies that you have previously accepted. If you are using multiple Internet browsers, delete cookies in all of them
